

Milankovitch
Theory

Shape of Orbit

Axial Tilt

Axial Motion

Volcanic Eruptions

Plate Tectonics

1. Why does the sea level fall during glacial periods?

2. How might a major volcanic eruption have brought about an ice age?

3. What does Milankovitch Theory state?

4. What are three changes are observed in the Milankovitch Cycles?

5. How do plate tectonics affect a region's climate?
