

## IMS Syllabus

Welcome to IMS! This year in IMS we will be expanding on a variety of topics covered in science class including: the scientific method, weather/atmosphere, climate, the cell, and genetics

### **Grading:**

Most grades in IMS will be based on; in-class projects and activities, participation, and the occasional quiz.

### **Schedule:**

***Monday (Study Hall):*** During study hall you must be working on homework or reading silently. If you have nothing to work on, an activity will be provided for you. This is a silent period and there is no talking!

***Tuesday (Activity):*** Class will start with CNN student news with a reflection to follow. We will then work on an activity based on the IMS unit of the time.

***Wednesday (Study Hall):*** During study hall you must be working on homework or reading silently. If you have nothing to work on, an activity will be provided for you. This is a silent period and there is no talking!

***Thursday (Activity):*** Class will start with CNN student news with a reflection to follow. We will then work on an activity based on the IMS unit of the time.

***Friday (ALEKS):*** Class time will be devoted to working on the ALEKS math assessment.

### **Class Rules:**

1. Respect this learning environment, your teacher, your peers and yourself.
2. Listen and follow directions.
3. Raise your hand before speaking or leaving your seat.
4. Keep hands, feet and objects to yourself.
